

# FOR Teachers

## Hints and Tips to get the best from Intrepica®

### Teacher Admin>Student Tasks

Enables teachers to a) assign classwork/homework to individual students or the entire class b) lock off other areas of the program until assigned work is completed c) save and edit all assigned tasks

### Teacher Admin>Reports

Teachers can view reports on 'Student Tasks', 'Free Learning' or 'Diagnostics'

### Student Login>Academy>Guided Learning

Provides a) automated diagnostic testing to pinpoint student's strengths and weaknesses b) a personalised learning schedule c) re-testing to determine learning outcomes.

### Teacher Admin>Diagnostic Tests

Provides teachers with a) descriptions of each diagnostic test b) the option of selecting tests in any order.

### Teacher Admin>Student Mode

Allows teachers to toggle between Student Mode and Teacher Admin.

### Teacher Admin>Student Accounts

Enables teachers to a) edit/change student details, passwords or passrates b) print off list of student passwords.

### Teacher Admin>Messages

Teachers can send a message to individual students or the entire class e.g. Great effort!

### Master Account Holder: Teacher Admin>School Performance

School administrators can access a) a usage report, displaying the average total points per class, per month b) Student Leaderboards, displaying school's top performing students c) print student leaderboard and participation certificates

 **Intrepica**  
A Whole World of Literacy™

## Testimonials...

I have never in my whole teaching career come across a program that excites and motivates children to want to learn. It makes my job so much easier!

*S. Hall - Support Teacher Inclusive Education, St. Joseph's Tobruk Memorial School, QLD*

My students absolutely love Intrepica! We have just started using it and I am asked every day if they can use it!

*A. Oldfield - Prep/Yr1 Teacher, Campbell Street School, TAS*

The program is interactive, educationally sound, sequential, colourful and inviting and I have enjoyed being able to incorporate all of these elements into my lessons to make them more interesting. Intrepica has provided an excellent platform to engage all my students.

*G. Prescott - SPELD, SA*

Every week I speak to a new principal, teacher, parent or community member that wants their child to have access to Intrepica. I have never encountered an educational program that children are so eager and willing to take part in.

*C. Kennedy - Literacy Support Teacher, NSW*
